Unlucky at cards, lucky in love
If only that were true, Heaven above,
I'm waitin' on you to give me the time,
And say that you're mine, But
I'm lucky at cards, unlucky in love.

Oh the dealer's hand dealt me a straight,
I'm countin' my winnings but you show me the gate.
Just the next hand it's a royal flush,
But I get the bum's rush.
Cause I'm lucky at cards, unlucky in love.

You could be the best thing that's happened to me,
But as long as I keep winning we'll have to wait and see .

You could be the best thing that's happened to me,
But as long as I keep winning we'll have to wait and see,
won't we?

I've got to decide to fold or stick.
If I start to lose that might do the trick.
I'm hoping that you have a change of heart,
Maybe make a new start,
And I'll be unlucky at cards, lucky in love.
